CalSERVES invites you to give back to your  
community by becoming an AmeriCorps  
Mentor or Leader.

AN  
INVITATION

## WHO WE ARE

The mission of CalSERVES is to make a positive difference in the lives of Sonoma County's children and families. You can become an AmeriCorps member in one of the following programs:

**Reading Programs:** One-on-one tutoring and academic mentoring for students grades K–8 who are struggling with reading.

**After School Programs:** Homework help, reading support and enrichment activities for students who need a safe and constructive environment in the after school hours. Special after school programs include service learning, character education, PE and nutrition services.

**Family Programs:** Literacy development, homework help and enrichment activities for children while their parents attend adult GED, ESL, and literacy classes.

**Team Leader/Fellow Program:** Leadership opportunities for individuals wanting to make a full-time commitment to serving youth in the community.

## WHAT IS AMERICORPS?

AmeriCorps is the domestic Peace Corps, giving people of all ages the opportunity to serve their communities. As an AmeriCorps member, you would serve full or half-time at one of our school sites, participating in ongoing training and service projects throughout the year. AmeriCorps members earn a monthly stipend, an educational scholarship, and are eligible for college credit during their term of service. Most of all, AmeriCorps members have the opportunity to make a difference by becoming a special person in the life of a child or helping families in need. Individuals with disabilities are encouraged to apply.

If you are interested in serving your community and increasing the number of safe, happy and healthy children, please call us at 888.560.SERV.

I am interested in the following  
AmeriCorps position(s):

- Team Leader/Fellow
- Full-Time Mentor
- Half-Time Mentor
- I don't have time to join AmeriCorps now, but I'd like to volunteer.
